Dear Mr. Du:

Congratulations!

After complying with the requirements of the BPS Product Certification Mark Scheme, the Bureau of Philippine Standards of the Department of Trade and Industry hereby awards **Huizhou Tonly Electronics Limited** the PS Certification Mark License with license number **Q-6011** reference no. **BPS202403192060** for its **Heated Tobacco Product Device** covered in the scope of certification as described in Certificate Number **6011**.

Please be reminded of the following:

1. Your licenses are valid for three years from **26 July 2024** until **25 July 2027** subject to the satisfactory results of the annual surveillance audit and compliance with the Terms and Conditions of the licenses.
2. These licenses and product certificates are valid only for the products covered and the plant location indicated.
3. The continued use of the PS Licenses after this three-year period will be based on your effective conformity to the requirements of the Product Certification Mark Scheme, as determined by a re-assessment. The reassessment audit will be conducted no less than **three (3) months** prior to the expiry of the original issue of your PS License. This is to ensure that there is no gap between the date of expiry and the date of issuance of the new certificates.
4. As a PS Licensee, you are required to maintain your compliance of the product based on the applicable Philippine National Standard including the use of PS Certification Quality Mark in accordance with Department Administrative Order (DAO) 4:2008 and its future amendments, and the Quality Management System based on ISO 9001.
